**Mrs. Mortimer & Mowbray.**  
I take pleasure in saying to you that I have used  
your "Hampton's Tincture" with very great profit.  
From a serious throat affection, my general health  
has become very much impaired, when I com-  
menced to use "Hampton's Tincture." I found  
its effects upon my general health most salutary.  
My nervous system and digestive organs soon right-  
ed up under its use.

I have several times recommended it to my  
friends, and in every case, as far as I have been in-  
formed, they have used it with success.

Yours truly,  
Of Exeter St., M. E. Church, Baltimore.

**BLEEDING OF THE LUNGS.**  
Baltimore, N. C., Feb. 8, 1855.

I do hereby certify that about twelve months ago  
I was taken with a severe hemorrhage of the Lungs  
and had four attacks of it. I was advised to try Dr.  
Hampton's Vegetable Tincture. I procured one  
bottle, and after taking which, I was cured. I was  
I was much better; and that, after taking the fourth  
bottle, I was entirely well, and now I enjoy as good  
health as ever I did in my life. I can, and do, with  
out the least hesitation, recommend the Tincture  
to all persons afflicted in my way.

Yours,  
Geo. W. WEAVER.

**Mrs. Mortimer & Mowbray.**—The sale of  
your Hampton's Vegetable Tincture is increasing  
every day, and every bottle of it is a source of  
benefit to the afflicted. Several of our  
patients have tried it in different cases with aston-  
ishing success, and are getting it by half dozens. It  
has been found to be a remedy for rheu-  
matic affections, and a wonderful cure has been  
performed on a negro boy, suffering from Fits. I  
will furnish you with a number of certificates if you  
wish them.

I am, gentlemen, yours, W. G. TROTTER.

**DENTISTRY.**  
R. B. DONALDSON, Dentist, late of the firm of  
Hunt & Donaldson, continues to  
manipulate and insert the beautiful  
porcelain teeth, with or without gums,  
for specimens of which (made and de-  
posited by the late firm) was awarded the first  
premium at the Mechanics' Institute Fair, recently  
held in this city.

These teeth are carved and shaded to suit each  
particular case, and their resemblance to the nat-  
ural organs is so perfect as to deceive the most prac-  
ticed eye.

Particular attention also paid to filling and pre-  
serving the natural teeth.

Charges moderate and all operations warranted.
